Are you eligible?

You have a household income of £31,000 or less...

OR

Someone in your household receives income related benefits

AND

Your home is difficult to keep warm in winter (off-gas & EPC of D - G)

You may also be able to access funding if you live in a certain postcode, our team can check this for you (off-gas & EPC of D - G still applies).

Start saving energy

If you have no mains gas heating in your home, you may be able to receive energy efficiency upgrades which can lower their energy bills.

Our expert surveyors will assess the best ways for you to save money on your energy bills and the scheme will arrange the installs. The full service is provided free for eligible homeowners and private renting tenants.

Landlords must contribute to the funding and won't be able to join the scheme if they own more than four properties.

The scheme is managed by YES Energy Solutions on behalf of North Yorkshire Council.
